

CENTRAL EASTERN EUROPEAN
SUSTAINABLE ENERGY NETWORK

SUSTAINABLE MUNICIPALITIES CONFERENCE

and their responses to the energy and climate crisis

INVITATION

Is your **municipality** ready to take part in the global fight against the climate crisis and rising energy prices?

Are you a **municipal employee or NGO** engaged in the Clean Energy Transition, or a **business** looking to make a difference?

Are you worried about **energy poverty, a just energy transition**, leaving no-one behind?

Join us and learn from experts and pioneer cities, build partnerships, and share your concerns, results and solutions!

WHEN?

6-7 September 2023

WHERE?

Budapest, Hungary at [MagNet Közösségi Ház](#) (1062 Budapest, Andrásy út 98.)

30 topics, 18 speakers, 4 workshops & 3 site visits

organized by the Central Eastern European Sustainable Energy Network (CEESEN)

MAIN TOPICS OF THE CONFERENCE

- Energy security
- Financing and regulatory options related to SECAPs
 - Lack of energy
 - Climate adaptation

Discover more about our topics and about our organization at ceesen.org.

Participation is **free**, but prior registration is required.

The official language of the conference is **English**, interpretation will not be provided.
